Setup New Round

Step 1 of 3 — Select factors for the new round

Confirm the round name, due date, included factors, and vendors in consideration for the new round. Teams and evaluator assignments are carried forward from the previous round for convenience. All details can be adjusted during setup before the round is started.

of new round

Jan 17, 2026 – Mar 15, 2026

Best Value

Start Round 2?

Please confirm the following before starting this round:

- You have received all revised proposals from the **4 included vendors**.
- Excluded vendors will not participate in this round and cannot submit revised proposals.

This action cannot be undone. Once the round starts, the included factors and vendor assignments are locked.
